Dear Parents/Caregivers,

**Parent Information Meetings**

I trust that the parent information sessions conducted last week have proved to be beneficial for parents and carers. Overviews of the content covered in the meetings were sent home with students of parents who were unable to attend due to other commitments. I take this opportunity to stress once again that the meetings should be seen as a “first step” in developing a relationship of shared responsibility with class teachers for your child’s education. As the school year progresses I encourage you not to hesitate to contact class teachers regarding an appointment if you wish to discuss any matters of concern.

**Parent Interviews**

Parent/teacher interviews will be held at the end of Term 1. Parents will get the opportunity to discuss their child’s progress in a one to one situation. Mrs Taylor will hold her interviews first on Monday 17th and Tuesday 18th April. Notes for K/1 have already gone home. All other classes will hold their interviews over the last two weeks of the term. Notes will go home over the next two weeks. All parents will be accommodated for and if you are unable to attend we will arrange a phone interview.

**Clean Up Australia Day**

Unfortunately our Clean Up day was cancelled due to the inclement weather, Friday 14th March is ‘Wangi School Clean Up Day’. The classes in the K-2 area will be cleaning the school grounds especially around the fence line and the gardens where the rubbish accumulates. The primary classes will be cleaning the school boundary.

The school will supply gloves however all students will be required to wear a hat. We encourage all students to take pride in their school as well as develop a caring attitude for our environment. The cleanup will begin at 2.15pm.

**Brett Grogan Police Community Liaison Officer**

On Tuesday, Brett visited our school to address the Year 4, 5 and 6 boys, he talked about being proud of his heritage and culture and making positive choices. It was reinforced to the boys to be aware of doing the right thing. This is a boys’ initiative within the school and Brett will visit us later in the year.

Jenni Langford
Principal

"Quality, Care and Commitment"

P&C meets on the third Tuesday of each month
Yr 1/2 characterisation of the dragon from “The Paperbag Princess”.

The dragon is fat and he’s big. The dragon has sharp claws and sharp teeth. The dragon can fly super fast. The dragon is scary. The dragon eats horses. The dragon can fly around the world. The dragon is the fastest dragon.

Joel Pallas

The dragon is huge and green. The dragon has red scales. The dragon can fly in ten seconds around the world. The dragon is special because he breathes fire.

Zali Field

The dragon is fierce and humungous. The dragon can fly around the world in ten seconds and the dragon has red scales. The dragon has a pointy tail and the dragon is exhausted. The dragon is special because the dragon can breathe fire and take over the world and all the horses. The dragon is going to cook the prince in the oven.

Shamara Edden

Yr 5/6 Characterisation - Miss Wenis

Miss Wenis is a dirty, dirty little girl. She’s so dirty she has never had a shower in her life. She doesn’t even wash her hands after going to the toilet! Her breath is so ferrel you almost faint if she breathes on you. Her teeth are as black as the hair on her chin. Now, would you like to be kissed by this ferrel creature with horrible breath? Surely Not! Miss Wenis was born noseless so she didn’t realise how horribly horrible she smelt. Miss Wenis’ parents left their house because of how disgusting she smelt. But Miss Wenis has managed to have a gross family of her own in a gross house with a gross husband. I know what you’re thinking, how in the world did she find a husband? No one really knows how.

Rhiannon McKay
**Kinder/Yr 1 visit to Peter Pan Pre-School**

What a wonderful time the K/1 class had at Peter Pan Preschool. They performed some songs and were role models for the preschool children. Mrs Taylor commented on the students’ beautiful behaviour. They have been invited back for another visit when the new bike track is completed.

**School Photos**

A reminder that school photos will be taken next Friday 14 March. Photo envelopes went home this week & family envelopes are also available. Looking forward to seeing everyone in full school uniform and wearing big happy smiles.

**Soccer Trials**

Soccer try outs are being held at school today for both Year 5 and Year 6 boys and girls to represent our school next Friday, 14th March at the trials for Westlakes Soccer teams. We are only able to send three students. Terry Williams, President of Westlakes Soccer Club, will be running the selections today and we thank him for his input.

**Tree Hazard Assessment**

In light of a recent tragedy at a school in Sydney, the Department of Education and Communities has called for an assessment of all trees on school grounds, in particular, gum trees as well as tall trees. We have an arborist coming on the 10th April to inspect our site and the DEC will cover the cost for removal of any tree that poses a risk to human safety.
